

2013-2014 Civil Rights Data Collection

The DE is again going to help districts with the Civil Rights Data Collection that will be taking place September through December of this year for the 2013-2014 school year. We are still working on creating reports you can use for a majority of the data requested by OCR (Office of Civil Rights). I've created a table to let districts know what data we will be able to provide and what data the districts will have to provide. I hope this helps you as you prepare for the opening of the data collection in September. More details will be forthcoming as we approach the reporting time period.

Items highlighted in blue are optional for the 2013-2014 collection. Items highlighted in brown are required for 2015-2016 only.

If you have questions, please contact Marlene Dorenkamp at marlene.dorenkamp@iowa.gov or 515-281-5507.
